

Easy Crochet Girl Dress Free Pattern

Easy Crochet Girl Dress Free Pattern. Hello dear reader and friend of our blog Manual Crafts, how have you been? I hope you're doing great. I'm really excited about today's mold as it's one of my favorites. I believe that just like me, everyone loves to make beautiful dresses for our little girls, right?

We know that every crocheter loves to make beautiful dresses for little girls. This pattern is exactly like that, easy and with beautiful stitches that will delight everyone. Thus, leaving our little girls beautiful and comfortable with their beautiful dresses. Without losing the elegance of

crochet.

Easy Crochet Girl Dress is a versatile and great pattern to make in your spare time. Without the need to book many hours, this mold fits into the rush of everyday life. And with a little time we will have a beautiful dress to give as a gift.

The measurements are based on working with 3mm thread and a 3mm hook:

1 year: 100 chains

2 years: 110 chains

3 years: 120 chains

4 years: 130 chains

To begin, create a chain with the specified number of chains and join the ends with a slip stitch, forming a loop.

The Tutorial:

Round 1: Start with 4 chains. Skip 1 chain, then in the next chain, work 1 double crochet, followed by 1 chain. Skip 1 chain again and work 1 double crochet in the next chain. Continue this sequence all the way around.

Finish the round by making a slip stitch in the 3rd chain of the starting 4 chains.

Round 2: This round involves increasing stitches. Begin with 3 chains, then work 2 double crochet stitches where you made the chain space in the previous round. After that, work 1 double crochet in the stitch where the double crochet of the previous round is located. Repeat this pattern around. Complete the round with a slip stitch in the 3rd chain of the starting 3 chains.

Round 3: Repeat the same pattern as Round 1.

Round 4: Start with 4 chains. Skip 1 chain, then in the next chain, work 1 double crochet, followed by 1 chain. Skip 1 chain again and work 1 double crochet in the next chain. Repeat this sequence, just like Round 1.

Finish the round by making a slip stitch in the 3rd chain of the starting 4 chains.

Round 5: Repeat the same pattern as Round 1.

Round 6: Begin with 3 chains. Work 1 double crochet in each stitch around.

Round 7: Repeat the same pattern as Round 1.

Round 8: Repeat the same pattern as Round 6.

Round 9: Repeat the same pattern as Round 1.

After completing these rounds, we move on to shaping the dress:

Divide your work into four equal parts: sleeves, front, and back. For example, if you began with 100 chains, you should have approximately 94 squares. Allocate 22 squares for each sleeve (use markers to indicate them), and distribute 25 squares each for the front and back sections (again, markers help). Remember, even if your stitch count is different, aim to divide it into four parts and adjust the number of squares accordingly by moving stitches from the sleeves to the front and back sections.

For those who prefer video tutorials, we've got you covered. I recommend this tutorial created by the Frisian Knitting tutorials channel. Watch the step-by-step video below.

We at Manual Crafts wish you all an excellent week full of joy, peace, love and of course, many crochets in our lives. It's always good to have you here, until next time!
